LANGAR-CUM-BARNSTONE VILLAGE HALL COMMITTEE MEETING Minutes of Monday 23th February 2017

.....

Present: **T McHarg** (Ordinary Member), **C Pegg** (OM/Parish Council), **V Gell** (Parish Council), **A Charlett** (Vale Market Café VMC), **L Kemp** (OM), **C Mazers** (Vale Ventures), **G Clarke** (Vale Arts Group), **V Jones & M Jones** (Belvoir Archers),

- 1. Apologies D Clayton (Brownies), M Smith (OM) and M Munford (Dancing).
- 2. <u>Minutes</u> The Minutes of the meeting of 24th November 2016 were read through. These were accepted these as a true record and signed by the Chairman.
- 3. <u>Matters Arising</u> P Jones should read M Jones. Under item 9, A Charlett said he had spoken to Marie Fletcher to try and arrange a meeting with Andrew Fletcher regarding land for parking, but that he had heard nothing and he was therefore assuming that they were not interested. V Gell has purchased a thermal curtain and pole for the hall door and a blind for the mirror and these are to be fitted. A door between the hall and the corridor has been fitted.
- 4. <u>Financial Management</u> C Pegg passed round a statement to 31 January and went through this with all present. T McHarg checked that the VHMC were still ok to purchase items up to £150 without having to go to the PC first.

5. Parish Council Forward Plan

C Pegg passed round a Proposal for a Forward Plan. These include toilet facilities on the Community Field. V and M Jones reported that the state of the field was much improved since the gate has been locked. With regard to the proposal to re-build the Village hall in approximately 5 years time, C Pegg has spoken to the Planning Department at Rushcliffe who have no objection in principle. A brief discussion took place as to what we might look to achieve when rebuilding. Boundary changes for electoral voting mean that Langar and Barnstone are now in two different electoral areas, but that does mean that we will have access to two Borough Councillors and two pots of money!

6. General Maintenance

- T McHarg stated that the lead for the sound system has disappeared and the replacement he hastily found is not satisfactory. He will replace with a better one as soon as he can.
- The back porch light bulb needs replacing.
- One of the heaters in the hall is not working. T McHarg said he will return it for a replacement. Also, these heaters are currently on the floor, but can be wall mounted, which he plans to do in the summer.
- The HDMI lead was replaced as the end had broken off.
- The shed needs to be tidied up, in particular the plastic chairs need sorting with approximately 20 being kept back for the Brownies to use and the rest to go to the Church.
- C Mazers asked if a permanent light could be put in the shed as the current one is unsatisfactory.

7. Village Hall improvements

- C Mazers has had a quote for a dimmer board to be fitted and PAT tested for £150. C
 Pegg said that the PC would reimburse her for this, including the replacement bulbs she has purchased.
- A Charlett mentioned about a table top freezer and said that an under counter one would be slightly more in price than a table top one but would hold double the capacity. It was agreed that there was space under the counter in the corner.

8. Vale Market Café

A Charlett reported that the Café was keeping its head above water and still attracting new people. A discussion took place regarding possible solutions to the parking problem.

C Mazers said she has a plan for Vale Ventures to do photo bunting for the Village Festival. This would be to take photos, laminate and hole punch them and put them on rope.
