

Welcome to the 5th Langar & Barnstone Festival!

As in previous years we have a mix of events, some new and some old favourites, for all interests and ages put on by local groups, businesses and individuals for the enjoyment of villagers, their friends and family and visitors to Langar and Barnstone. This year we have a new logo and banner designed by Luke Mazers. We hope you like it.

Please come along and enjoy yourself!

As the events are organised by volunteers and some could be affected by adverse weather we may have to make late changes to the programme.

Saturday 17 June

The poster features a vibrant blue sky with white clouds and a bright sun. At the top left, a target with three arrows in the bullseye is shown. The 'archery GB' logo is in the top right. The main title 'Big Weekend' is in large, colorful letters. A red banner across the middle says 'Come and try Archery!'. To the right, three cloud-shaped callouts state: 'Perfect activity for the whole family', 'All equipment provided', and 'No experience required'. Below the banner, another target is on the left. The text 'Join in and bring your friends and family' is in bold blue. A form on the right contains details for Belvoir Archers, including date, location, times, contact, email, website, and notes. The bottom of the poster shows a grassy field with daisies, a bee, and butterflies.
